You can help with your donation!

The Safe Parking Program will begin on October 7th at St. John Vianney. Your donations will help people living in their vehicles have a safe place to sleep at night. Members will also receive help with completing applications for housing that is affordable, suggestions for short and long-term housing options, counseling on safety-net programs, enrollment in benefit programs, assistance with Homeless Court issues, and ensured access to healthcare.

A used vehicle is needed for one of our members living outside at the church to provide entry into the program. If you have a vehicle you can donate, please contact Todd McCarl, SPP Program Coordinator, email toddmc@trinitycenterwc.org or by phone 925-895-5243.

Please share this and spread the word with your networks and connections!

Evening Program Overnight Shelter Begins Dec 9th

Over the past several years, volunteers have helped us keep Trinity Center members safe, dry, and warm in our Evening Program during the cold, wet winters. From December through March, the program provides members with a hot meal at Trinity Center and overnight shelter at the Walnut Creek National Guard Armory. Lots of assistance is needed to make this program a success.
